## QUESTIONNAIRE OF MEDIA USES AND MEDIA PARTICIPATION

This questionnaire is part of a study "Youth Media Participation" which is financed by Academy of Finland. The study is contacted in Argentina, Egypt, Finland and India (state of Gujarat) and altogether almost 5000 children and youth will be participating in the study.

Please, fill in the questionnaire and try to answer to all questions. There are no correct and incorrect answers to the questions – it is important that you let us know what YOU personally think and do! All questionnaires will be considered confidential and only the researchers of the project will see your answers. All results will be reported in a way that no individual respondent can be identified.

## Thank you for your contribution for the project!
