HYY's member survey

 Mandatory fields are marked with an asterisk (*) and must be filled in to complete the form.

We invite you to respond to the HYY's member survey!

The Student Union of the University of Helsinki member survey will examine student experiences regarding the activities of the student union. The focus is especially on member awareness, needs and participation in student union activities. Your responses are valuable. The results of the survey will be utilised to develop HYY's activities.

The survey will be implemented by the Finnish Research Foundation for Studies and Education Otus. The study is commissioned by the Student Union of the University of Helsinki.

Responding to the survey is optional and your responses are anonymous. Responses are treated confidentially, and individual respondents are not identifiable from the results. The research data is processed by the appointed researchers at Otus and only used for research purposes.

It takes about 15 minutes to complete the survey and you can respond until 28.11. If you wish, you can save your answers and continue responding later by subscribing to the personalised link in your email.

10 Finnkino film ticket packages (2 tickets / package) will be drawn among those who have provided their contact information. The contact details that you provide for the prize draw will not be linked to your answers.

Thank you for your answers!

Best regards on behalf of HYY,

Mikko Kymäläinen,
Secretary General
[contact information deleted]

For more information on the research, please contact Otus Researcher Aino Pietarinen
[contact information deleted]

Processing of responses:

The research data is processed by Otus researchers and used for research purposes only. The complete anonymised survey data will be delivered to HYY and the Finnish Social Science Data Archive, and archived in Otus for the possible use of other research projects. Information that make it possible to identify an individual respondent are removed or grouped from the data. You can read more detailed privacy statement and data management plan [here](#).
