New student Survey 2022

Dear new student,

We have composed this survey to hear about your experiences and feelings during the start of your studies. Feedback from each student is valuable and your answers give us important information for developing our processes to support our new students better and better.

We hope to receive your reply to the survey on 29 October 2022 at the latest. It will take you about 15 minutes to reply. We greatly appreciate your time.

You need to sign in with your tuni account to answer the survey. Your answers will be processed completely confidentially. The information you give will be linked to background data received from the student register on the basis of your sign in (such as degree programme). The material compiled based on the answers will not include direct identification data and the results will always be reported in a format which ensures that feedback given by an individual participant cannot be identified.

For more detailed information the processing of your personal data in this survey, please consult the survey privacy policy available at <https://intra.tuni.fi/en/data-protection/data-protection-tampere-universities/privacy-policies>

For more information on the survey, please contact **[email deleted]**

Thank you for your feedback!
