Welcome to participate in evaluation of the course!

Silta-Valmennusyhdistys evaluates the course during autumn 2024.

We invite students to participate in an individual interview about the course organised by X in X prison.

We are interested in your experiences and we want to hear how you rate the course successes and failures.

Participating in the interview is voluntary and based on individual consent before the interview.

What is talked during the interview is confidential and nothing that you say has any consequences to your status as a student or a prisoner. We will not communicate your individual opinions to teachers or prison staff.

The interview will be recorded.
The interviewer will herself write the recording to text form.
After that the recording will be destroyed permanently.

The text will be anonymised: all words that might identify the prison or a person will be removed from the text.

Please contact your teacher if you are interested in participating in the interview. If needed and possible, we will arrange interpretation via phone in your native language.
