Course feedback

This survey is part of the basic skills training –course assessment.
Responses are used for course evaluation and improvement.
Responses may also be used as data for scientific research.
Please answer the questions based on your own experience.

Do not write your name or any personal information on the questionnaire.

We will not report individual responses to the educational institution or prison.
Responses are sent to the evaluator, Silta-Valmennusyhdistys, in a sealed envelope.

The survey is conducted twice during the course: at the beginning and at the end.
Responses of the two surveys are not linked to each other.

We value your opinions and thank you in advance for taking the time to share them with us!
